#### **Food Distribution and other Food Programs**

- Food Distribution has seen less people coming out for food. In turn, this has meant that less food is coming from TEFAP. If we can get more people coming to the food distributions, we can start getting more food.
  - What are the best ways to tell people about the food distributions?
- Back Pack Program

- Currently serving 23 children ages 6 and up, 13 children, ages 5 and under (total 35 children are receiving food for the weekend).
  - Cost is estimated at \$6 per child per weekend. First Things First is funding the Back Pack Program for children 5 and under. To build the program for children 6 and older (as well as creating spots for children when they age out of the FTF funding), the Back Pack Program projected costs for the 2011-2012 school year is \$6,500.
  - Members of the Womens' Civic Club will be making peanut butter and jelly sandwiches for both Back Pack Programs (35 sandwiches) on the first and third weeks of the month (April 6, 20, May 11).
  - Members of the LMWCC will also help with packing the bags and will be working with Jessica Ward, one of the pre-school teachers at BCS, to strengthen the program next year. Jessica will be taking over the program coordination for 2011-2012.
    - The Food Box Program has been successfully run for 2 months in a row by 4 new volunteers; Carol and Lonnie Anderson, Sandy McConnel, and Sue Knott (Sandy and Sue are both with LMWCC, and Sandy is also helping with the Back Pack Program. Carol and Lonnie saw a flier at the Adult Center calling for volunteers and asked what they could do to help).
- *Reviewed Youth Center Progress*
    - *Youth Center Updates:*
      - *Margo met with Merilee Fowler and got the history of the Camp Verde Youth Center. She also spoke with the former VISTA who worked with the Camp Verde Youth Center and was able to look over the documents and forms created for the Youth Center.*
      - *Margo also spoke with Hayley Brummer of the Boys and Girls Club of Northern Arizona to see what would go into starting a B&G Club in Beaver Creek. To join the Northern AZ B&G Club chapter would mean that policies and procedures would already be in place. Margo has followed up with Hayley to receive these forms to look over and has not heard back.*
      - *A survey was sent to the local high school-aged youth about what they'd want to see and what they would help with should a youth center be started. The results were discussed at the December 3, 2010 Youth and Family Services Committee meeting.*
